

## Vertechs NEST - None Explosive Setting Tool

VERTECHS NEST, None Explosive Setting Tool, provides reliability and compatibility for plug setting while eliminating the risks and costs of transporting, handling and using explosives prior and during P&P operations. No more explosive security and safety concerns, no more regulation restrains and extra logistic costs.

Specification	NEST 10	NEST 20
OD	2.76 in	3.82 in
Setting Stroke	5.9 in	10.2 in
Pressure	15229 psi	15229 psi
Temperature	302 °F	302 °F
Setting Time	4 mins	6 mins
Max Setting Force	55,116 lb	77,162 lb
Casing Range	4-1/2";5";5-1/2"	6";6-5/8";7";7-5/8";8-5/8";9-5/8"
